SOMPO

REINSURANCE

SompoRe Global Casualty

With dedicated underwriting presence in key markets worldwide and a deep understanding of those markets, our Global Casualty team supports both proportional and non-proportional reinsurance. We provide reinsurance of a broad range of Casualty Lines (including General Liability/Product Liability, Umbrella and Excess, Professional Liability, Worker's Compensation, and Auto Liability).

We reinsure both primary and excess casualty insurance portfolios and have a depth of experience across all casualty classes, enabling us to work closely with our brokers and clients to structure solutions tailored to specific needs, including private deals.

This experience coupled with our strong product and territorial knowledge, enables us to quote complex placements and lend value-added support to like-minded clients – those with proven cycle management capabilities, a strong focus on underwriting profitability, deep technical pricing/reserving capabilities and a visible commitment to claims management.

Our Global Casualty team delivers:

- Best in class underwriting expertise
- Lead Market quoting ability across all key casualty sublines
- Highly skilled claims team with global casualty experience
- Respected contract/legal service

What you can expect from our team:

- Trusted and fair-trading partner
- Proprietary analytic and modeling tools and databases and the transactional experience of our underwriting, actuarial, legal and claims professionals
- Experienced and approachable executive management team
- Strong focus on original conditions, rate adequacy and limit management
- An integrated account management approach and exceptional financial strength
