SOMPO

REINSURANCE

SompoRe Property Catastrophe

Our Property Catastrophe business reinsures clients' exposures to catastrophic events such as hurricanes and typhoons; extratropical cyclones; earthquakes and tsunamis; floods; thunderstorms including tornados, hailstorms, and fire; as well as man-made risks such as terrorism on a treaty basis.

We offer a wide range of catastrophe products including coverage based on indemnity and predominantly excess of loss basis, as well as pro rata catastrophe coverage and coverage based on industry loss or physical parametric triggers. We offer catastrophe swaps and other customized solutions, along with significant capacity.

Target Classes

With a diversified global catastrophe portfolio, our business partners include regional insurance companies; large multinationals, separating non-U.S. from U.S. business; and local insurers and insurance groups/pools.

What you can expect from our team:

- Trusted and fair-trading partner
- Proprietary analytic and modeling tools and databases and the transactional experience of our underwriting, actuarial, legal and claims professionals
- Experienced and approachable executive management team
- Strong focus on original conditions, rate adequacy and limit management
- An integrated account management approach and exceptional financial strength
