SompoRe Surety

With a seasoned underwriting team, Sompo Reinsurance's Surety business line offers proportional and excess of loss treaty programs on a worldwide basis. Our team also offers facultative surety programs (except in the U.S. and Canada). We offer significant capacity covering the following product lines: Contract Surety, Commercial Surety and Fidelity – Financial Institution and Commercial (U.S. only).

Our focus is on accounts in the U.S., Europe, Asia-Pacific and Latin American markets. We seek long-term relationships where our value added services are seen as an enhancement to our clients' business. These services include assisting in preparing business plans, offering insights into the market, giving advice on improving operating efficiencies, and providing guidance throughout the underwriting process.
